

*There is a lot you can do
to help the environment.*

the key is getting informed

Sustainable Earth Forum

Discover what Marin's most comprehensive, unbiased environmental educational program can do for you, your community, and beyond.

Founded more than 36 years ago by Marin's early environmentalists, the Sustainable Earth Forum is an annual 18-week program held on Tuesdays. The 2009-2010 program begins September 8th. Classes are taught by experts in their field and include scientists, nonprofit organization leaders, college professors, business people, environmental consultants, and politicians. Classroom and field studies cover a full range of topics including:

Energy
Plant Communities
Wildlife
Agriculture

Population and Sustainability
Land Use and Housing
Transportation
Environmental Ethics

Water and Watersheds
Solid Wastes and Toxics
Oceans/Bay/Estuary
Advocacy

Class size is limited to 35. Tuition is \$420 for registration by August 1 and \$450 thereafter. \$50 reserves your space. Come get on board.
